Letters to the Editor

The Editor,

We need jobs in Torrance. Many of you are out of work or in fear of losing your jobs. The passage of the Recreation Bond Proposition will help to provide employment for many Torrance citizens. A three million dollar transfusion into our local economy will be a great help to tide us over our temporary slack in employment. This is a bonus benefit added to the very evident benefit of additional facilities.

The bond market is more favorable now than it has been for a long time or is likely to be in the future. Contractors are bidding more readily and lower on public works than they have for some time. Ingelwood found that the bids have been coming in 20 to 25% less than estimates for needed public improvements. The cost to the average home owner for the first year is less than two packages of cigarettes a month, approximately 40c less each year thereafter.

Vacant land will not long be available. Once land has building placed on it the cost of acquisition is prohibitive. The figures show that the number of permits being let for multiple dwellings is increasing. This means a greater concentration

of people and a greater need for open areas and recreation facilities.

Theft Ring Captured by Police

Capture of three alleged members of a burglary ring resulted in the arrest of two others suspects who had bought stolen payroll checks from them.

Allen L. Cox of 25301 Cypress ave., and Harry E. Lathrop of 2267 W. 250th st., Lomita, admitted between 50 to 100 burglaries to Hawthorne police, who nabbed them Friday morning while on the roof of a business building.

One of the burglaries to which the suspects confessed, was the theft of a safe, containing \$1000, from Vegas Airways at Torrance Municipal Airport last month.

A third suspect on the job, Benito (The Duke) Silva, 27, was captured three days after the safe burglary on another charge. The safe was recovered on 233rd st., east of Pennsylvania ave., where it had been concealed for more than a month under a couch.

Torrance Det. Sgt. Mickey Fischer arrested two men over the weekend on forgery charges. The officer said the pair purchased blank checks, stolen from a Lawndale lumber company, from Cox and Lathrop for \$300. The price also included a check protector.

The sergeant said that Charles Baxter Gay, Jr., 27, of 4025 W. 166th st., Lawndale, and Charles Louis McEldowney, 23, of 14022 Doty ave., Hawthorne, had passed several of the stolen checks in Torrance. He said that the pair passed approximately \$900 of forged checks.

Hawthorne police said they are compiling a long list of burglaries which Cox and Lathrop admitted.

Parks Sponsor Easter Activities

Easter-week activities will be held at two county parks in the Torrance area.

An easter egg hunt will be held at Alondra Park April 5 at 10 a.m.

At Lamita Park, a "Bunny Hop" dance will be held April 3 at 8 p.m.; a tiny tots Easter party on April 4 at 10 a.m.; an egg coloring contest at 4 p.m. on April 1 and an Easter egg hunt at 10 a.m. on April 5.

A youthful bandit, with sideburns and hair "like a mop" was frightened away during a robbery attempt of the Cactus Printers and Stationery Company, 24401 Hawthorne Blvd., Monday.

The robber entered the store during the morning and asked Clerk Joan Byacco if she was alone in the store. When she answered in the affirmative, he demanded:

"In that case you better give me what's in the cash drawer," at the same time simulating a gun in his pocket.

At that moment, another car made a U-turn in front of the place, and the would-be bandit jumped into an old jalopy and sped away.

Police said the robber was wearing faded denims and was extremely nervous and jittery. A search of the neighborhood failed to locate the get-away car.

Cancer is defined as an "uncontrolled growth of cells." In most cases this can be checked by surgery or radiation if detected in time, the Los Angeles County Branch of the American Cancer Society says.
